BUG: PAYLOCITY BENEFITS DASHBOARD HAS FIRST AND LAST NAME COLUMNS WRONG

Steps to replicate
1. Log in with your provided credentials
2. The Paylocity Benefits Dashboard is displayed
3. Go to the bottom page and click on Add employee
4. The Add Employee modal window is displayed
5. Enter First Name as FIRST NAME
6. Enter Last Name as LAST NAME
7. Enter any number of dependants between 0 and 32, Enter **1**
8. Click on the orange button "**Add**"
9. The employee you created should be displayed successfully in the table
   The data you entered as first and last name are in the wrong column

Possible solution, change the label of the columns to the correct one

Paylocity Benefits Dashboard   Log Out

Id	Last Name	First Name	Dependents	Salary	Gross Pay	Benefits Cost	Net Pay	Actions
3f87a872-7750-42e5-9a8a-0fe6efdcd42d	FIRSTNAME	LASTNAME	1	52000.00	2000.00	57.69	1942.31	✎ ✖

BUG: LOGIN WITH INVALID USERNAME AND PASSWORD

Steps to replicate
1. Log in with test12345 as username and password12345 as password

2. A blank screen is displayed
3. if you check the development tools, you will see an error **405-Method Not Allowed**
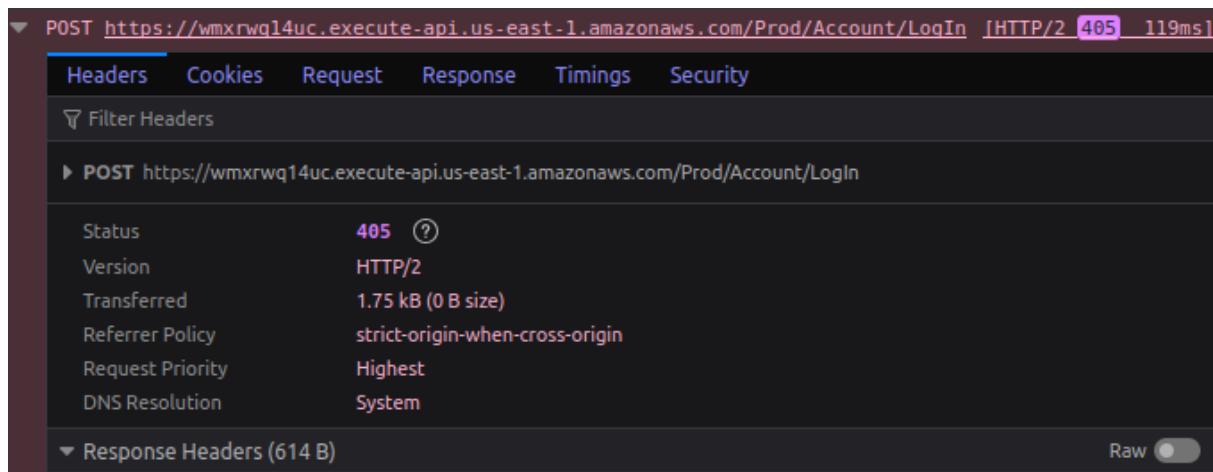

The login should not handle an invalid credential this way

> **Possible Solution: it should display a friendly message to the end user like "invalid username and password"**

BUG: ADDING AN EMPLOYEE WITH DEPENDANTS AS BLANK THROWS A 405

Steps to replicate
1. Log in with your provided credentials
2. The Paylocity Benefits Dashboard is displayed
3. Go to the bottom page and click on Add employee
4. The Add Employee modal window is displayed
5. Enter First Name as FIRST NAME
6. Enter Last Name as LAST NAME
7. Leave Dependants as **blank**
8. Click on the orange button "**Add**"

The employee you entered is not created as expected, but there is no friendly message on why and the developments tools display a 405, this is due dependants being sent as "null"

Possible solution, Display a friendly message for the end user

Bug: ADDING AN EMPLOYEE WITHOUT FIRST AND LAST NAME BUT 1 DEPENDANTS SHOULD THROW A FRIENDLIER MESSAGE TO THE USER

Steps to replicate
1. Log in with your provided credentials
